

Cookie Jar Math: Addition and Subtraction

Check out the **Cookie Boogie** video on the **Awesome Sauce** channel.

Add or subtract the cookies to find out how many are in the jar. Write the number of cookies on the lines below them, and write your answer in the cookie jar.

1. + = _____

4. - = _____

2. + = _____

5. - = _____

3. - = _____

6. + = _____

7. Flo Yo baked 15 cookies and put them in a cookie jar. Om Petalhead came over and ate 3 of them. How many cookies were left in the cookie jar? Draw a picture to solve this problem.

8. If McPufferson baked 7 chocolate cookies and Squatchy baked 9 rainbow cookies, how many cookies did they bake all together? Draw a picture to solve this problem.
